"A Customer is the most important visitor on our premises, he is not dependent on us. We are dependent on him. He is not an interruption in our work. He is the purpose of it. He is not an outsider in our business. He is part of it. We are not doing him a favor by serving him. He is doing us a favor by giving us an opportunity to do so." These wise words by Mahatma Gandhi resonate with the entire ownership team here at Sergio's and are truly a reflection of the way we strive to lead our business.

Our customers are a reflection of our business and our success. Training our staff to be hospitable, welcoming, and accommodating is of utmost importance to us. We are grateful to work with a team of outstanding service professionals who deliver our vision each day. Many of our staff members started elementary positions with us and have grown tremendously over the years. We have no doubt the familiar faces and names who greet and serve our customers makes them feel welcomed and comfortable each time they choose to dine with us. Our team of chefs work so hard and endless hours to produce the tasteful and quality food our patrons enjoy, and our front of the house team strives to provide the service, ambiance, and experience that we are accustomed to deliver. We are honored to work with amazing and talented individuals every single day and appreciate their drive to deliver our vision to our customers with enthusiasm and excitement. Together we have had our share of difficult days over the last couple of years and have made it stronger on the other side.

We are filled with gratitude for the support behind this amazing award and want to sincerely thank our loyal clients and staff for we know it cannot be done alone.
